A message from the President

Tony LaMorte

Hello again:

One holiday down and the other right around the corner. Grandchildren are probably driving their parents up the wall as to what Santa is going to bring them for Christmas.

Used to tell mine only coal this year, they would just look at me and say, "Oh yeah, right," and walk away. One time I did hide their presents on Christmas morning, and they didn't know what to do. Of course I finally gave in and we did have a happy Christmas.

It's that time of year when you're watching your children or grandchildren opening their presents and seeing the smiles and laughter coming from them makes it all worthwhile.

You threaten them as to what is going to be their downfall, but then comes Christmas morning and all those threats just vanish into thin air as if they never existed. Yes, Christmas is for everyone, but to me it's mostly for the Children. They have a lot of love and laughter to give and not a care in the world. It's their day and no one should take that away from them.

This Christmas day let's say a prayer for all our troops that can't be home with families and loved ones. They're doing a job that has to be done and they're doing it without complaining. Say a prayer for their safe return. I know I will.

THE BOARD OF DIRECTORS AND I WISH ALL OF YOU A VERY MERRY CHRISTMAS AND A JOYOUS NEW YEAR.

Tony

Thank You

Thank you Jim Smith, U.S. Army WWII veteran, for the detailed model of the submarine USS GATO (SS 212). The USS GATO was awarded a Presidential Unit Citation and 13 battle stars for service during WWII.

Welcome Aboard New Members

On 11 November 2013, Louis G. Haskell became a five year member. Louis is a U.S. Navy veteran. He served aboard the USS Lake Champlain (CV 39) and the USS Epperson (DD 719). A true tin can sailor, and a family man. Louis lives in Martinsburg, WV.

A very hearty welcome aboard to our newest member! A sincere thank you to all our members for their continued support. Without member support, the Museum would not be able to pay its bills and would have to close the doors.

Did You Know That

the first landing of an aircraft on a Navy ship was on 18 January 1911. Eugene Ely landed his Curtiss pusher biplane on a temporary wooden platform built over the after deck and gun turret of the armored cruiser USS PENNSYLVANIA anchored in San Francisco Bay.

Photos from this first landing can be seen on page 6 of 6 in this Scuttlebutt issue.

Thomas Jefferson

Sure I wave the American flag. Do you know a better flag to wave? Sure I love my country with all her faults. I'm not ashamed of that, never have been, never will be.---John Wayne

Pearl Harbor Ceremony

A Ceremony to mark the 72nd anniversary of the attack on Pearl Harbor was held at the Military Sea Services Museum. The WAVES Highlanders Unit 88 and the Highland County Veterans Council hosted the ceremony. The program included a Navy bell tolling ceremony. The guest speaker was Gerry Harvey, retired U.S. Marine Corps master gunnery sergeant and President of the Highlands County Veterans Advisory Board. Special recognition was given to eight World War II veterans, including two lady veterans, in attendance. A moment of silence to honor war heroes, military and civilians who died in the attack or the aftermath. The ceremony honored those who perished at Pearl Harbor 72 years ago when the U.S. was attacked by the Imperial Japanese Navy in the early hours of 7 Dec 1941. Eight U.S. Navy battleships were damaged with four sinking. The Japanese damaged or sank three cruisers, three destroyers, an anti-aircraft training ship and one minelayer. About 190 U.S. aircraft were destroyed, most on the ground. More than 2,400 Americans were killed and 1,282 wounded during the attack that lasted two hours.

Most of the 59 people who attended enjoyed refreshments and toured the Museum after the ceremony.

A Prayer for Sailors

In waters Deep

In ocean waters no poppies blow,
No crosses stand in ordered row, There young
hearts sleep --- beneath the wave ---
The spirited, the good and the brave.
But stars a constant vigil keep,
For them who lie beneath the deep.

Tis true you cannot kneel in prayer
On certain spot and think, "He's there."
But you can to the ocean go ---
See whitecaps marching row on row;
Know one for him will always ride ---
In and out --- with every tide.

And when your span of life is passed,
He'll meet you in the "Captain's Mast'
And they who mourn on distant shore
For sailors who come home no more,
Can dry their tears and pray for these
Who rest beneath the heaving seas---

For stars that shine and winds that blow
And white caps marching row on row
And they can never lonely be
For when they lived they chose the sea.
